

BTL RESPIRATOR

FLAT-FIT Healthcare Respirator

CE 1024

YOURSELF

protect

OTHERS

Adjustable Nose Clip & Elastic Headbands

- Custom fit preventing air leakage
- Embedded for safe use

Electrostatically Charged

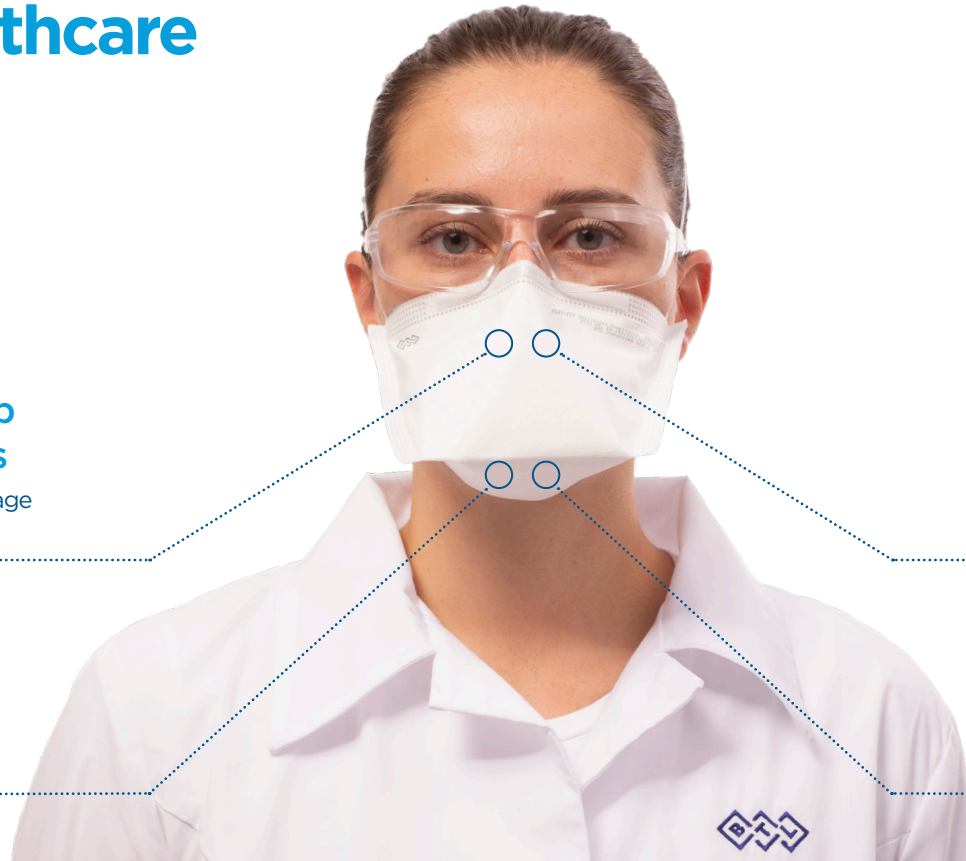

- High filtration efficiency
- Low breathing resistance

Ergonomic shape

- Fits most types of faces

Spacious Breathing Chamber

- For easy talking

BTL INDUSTRIES UK | BTLNET.COM

High Performance Filtration

- Approved for use against SARS-CoV-2 according to PPE-R/02.075 version 1
- Bacterial and Viral Filtration Efficiency \geq 99.9% according to EN14683
- NaCl Filtration Efficiency $>$ 96% according to EN 149:2001+A1:2009
- Splash resistance tested according to EN 14683

Approved
respirator
class **FFP2**
